

Version 6.0 Bilingual Spanish Educational Titles * (31 English & 31 Spanish Titles)

"Explore the World in Spanish" Educational Content

JumpStart Spanish

Games and activities expose children to Spanish vocabulary, phrases, culture and music. Children learn basic vocabulary, while having fun.

La Maquina del Tiempo del Pequeño Aventurero

Travel through 8 exciting past locations: Medieval Europe, Inca Empire, Imperial China, Age of Industry, Roman Empire, Ancient Greece, Ancient Egypt or 1920s City; rescue Professor TimeStein.

Mi Increible Cuerpo Humano

This entertaining and educational introduction to the human body is perfect. Four fun activities led by a humorous skeleton, teach about skeletons, organs, body systems, & how each works.

La Clase de Dibujo

The Art Lesson is the combination of a story about Tommy learning to become an artist told in English and Spanish coupled with 14 Art Activities.

Ya Sé Leer

This program brings back White Bear and Little Penguin as reading coaches to teach reading comprehension, grammar and sentence construction. Exercises show students how to read.

La Liebre y la Tortuga

These retellings of The Hare and the Tortoise, both the English and Spanish renditions, are fluent and literary in quality. Even the illustrations have a timeless air that complements the texts seamlessly.

La Abuelita v Yo

Just Grandma and Me is one of the Living Books and an interactive re-telling of the children's story. It is beautifully animated with read along and click to discover modes to help children learn to read.

Juega con las Matematicas

Students learn math skills through a time travel adventure and solve math problems: fractions, geometry and measurements.

Microsoft WordPad Español

Microsoft WordPad is robust word processor with many of the functions and features of MS Word. Easier to use than Word, it provides children with an introduction to an industry standard.

Read, Write, and Type!

Children write what they say using animated stories to building skills in phonics, reading, writing, and keyboarding. It includes 57 sound games with more than 200 words.

Sesame Street: Let's Make A Word

Children can choose from six Muppet playmates (Elmo, Big Bird, Oscar, ...) and four discovery sites (farm, construction, restaurant, park). 24 activities introduce letters, sounds, words and spelling.

Flash Action Software Addition/Subtraction Bilingual

This Flash Action is a math skills program with toggle back and forth between English and Spanish. Kids can practice addition and subtraction facts, alone, against a friend, timed or un-timed.

Kid Pix Deluxe

This creative playground supports a variety of virtual media — including traditional art tools, 3 D shapes, art music, animation and picture editing. Make slide shows and movies.

Enciclopedia Compacta Britannica

The world's most authentic and reliable reference guide. The Enciclopedia Compacta Britannica is one of the most comprehensive Spanish-language resources for information on the people, places, and events.

Britannica Compacta Dictionary (Merriam-Webster)

The Merriam-Webster Dictionary is the authoritative Student Dictionary and Thesaurus. It supports multiple language translations.

Los Colores (Educorock)

"Los Colores" uses a familiar tune as the refrain to a hip-hop song that leads students through the ten basic colors.

La Casa de las Matematicas de Millie

Explore numbers, shapes, patterns, addition and subtraction. Children practice math skills: building a mouse house, counting jellybeans & putting shoes on creatures.

La Casa de Ciencia de Sammy

Sammy introduces early science & thinking skills, with five fun-filled activities: puzzle parts; classify animals; sequence movies; adjust weather conditions; and observe wild life.

El Pequeño Aventurero de la Ciencia

This program attempts to answer kids' science questions with text, pictures, animations and, unfortunately, very few activities. The goal is for children to try to become Science Explorers.

Krazy ArtRoom

A rare, magical program; easy-to-use art & creativity center captures the power of interactive media. Like having an art studio with standard paint & draw tools.

Thinking Things 2 Spanish

Children create rhythmic compositions, explore two-dimensional and three-dimensional shapes, experiment, and create. Five activities stimulate young minds & include options for special needs children.

Living Books: Little Monster at School

You can have the story read to you or play with the story in English or Spanish. Choose to in the story. Little Monster learns ABC's, counting, science, social studies, and grows a plant.

Kidspiration™ Spanish

Helps students see, organize, and develop their ideas. Using proven visual learning principles, students build confidence in organizing information, understanding concepts and expressing their thoughts.

Microsoft Calculator Español

Children learn to use Calculator to perform standard operations normally performed on a handheld calculator.

El Gran Atlas del Pequeño Aventurero

Children learn about geography maps, countries and their inhabitants, cities, famous monuments, plants and animals from all over the world on an atlas designed just for them.

Encarta Dictionary

The Encarta Dictionary is an outstanding English Dictionary that also includes language translation for Spanish, French, Italian, and German, making the ELS an outstanding ESL Tool.

Microsoft Paint Español

Microsoft Paint provides students with basic draw & paint software that is universally available. Many sophisticated graphic packages use the same principals as MS Paint.

Encarta kids

Encarta kids features 500 articles especially for children. With clear icons; a simplified interface, & topics kids like to search on: animals, science, games, & everyday life.

La Sala De Clase (Educorock)

"La Sala De Clase" is a rap song that reviews key classroom vocabulary in a funky way. Some of the phrases used include "Stand up," "Look for a ruler," "Point to a boy," "Do you like to sing or dance?"

En La Granja (Educorock)

"En La Granja" is a farm rap song that reinforces both animal vocabulary (names of animals and their sounds) and related action verbs. An instrumental version of rhythmic beats and record scratching is also included.

El Cuerpo (Educorock)

"El Cuerpo" will have students hitting the dance floor and touching their ears, feet, eyes, nose, mouth and other body parts. Estevan sings that it's the body "like you've never heard it before."
