

## INSTRUCTIONS

The following is a map of the City of Porterville, which is divided into section with each section identified by a different color. Within each section there is a Route Number, which identifies the schedule for that section. In order to see the Street Sweeping Schedule for a particular area, locate the section of residence on the map and click on the Route Number for that section. To get started, click on the link "[Map of the City of Porterville](#)."
