ΔResolution Establishing ENR Annual Adjustment

◆Ordinance No. 1644 dated 2-19-04 (includes Annual Adjustment by ENR)

◇ Fees Covered by the Mitigation Fee Act

*Based on ENR Index = 8528 dated 4/06/09

**Institutional, Commercial and Industrial water and sewer trunk line fees will be collected based upon the amount stated above, but shall be adjusted after monitoring of actual usage to the following fees:

Water - \$170.51 per 100 GPD of actual average demand (adjusted annually by the ENR Construction Cost Index).

Sewer - \$144.93 per 100 GPD of actual daily flow (adjusted annually by the ENR Construction Cost Index).
