Opening the Door to A Lifetime of Learning

Version 6.0 Bilingual Spanish Educational Titles *

(31 English & 31 Spanish Titles)

“Explore the World in Spanish” Educational Content

 <p><u>JumpStart Spanish</u> Games and activities expose children to Spanish vocabulary, phrases, culture and music. Children learn basic vocabulary, while having fun.</p>	 <p><u>La Casa de las Matematicas de Millie</u> Explore numbers, shapes, patterns, addition and subtraction. Children practice math skills: building a mouse house, counting jellybeans & putting shoes on creatures.</p>
<p><u>La Maquina del Tiempo del Pequeño Aventurero</u> Travel through 8 exciting past locations: Medieval Europe, Inca Empire, Imperial China, Age of Industry, Roman Empire, Ancient Greece, Ancient Egypt or 1920s City; rescue Professor TimeStein.</p> 	<p><u>La Casa de Ciencia de Sammy</u> Sammy introduces early science & thinking skills, with five fun-filled activities: puzzle parts; classify animals; sequence movies; adjust weather conditions; and observe wild life.</p> 
 <p><u>Mi Increible Cuerpo Humano</u> This entertaining and educational introduction to the human body is perfect. Four fun activities led by a humorous skeleton, teach about skeletons, organs, body systems, & how each works.</p>	 <p><u>El Pequeño Aventurero de la Ciencia</u> This program attempts to answer kids' science questions with text, pictures, animations and, unfortunately, very few activities. The goal is for children to try to become Science Explorers.</p>
<p><u>La Clase de Dibujo</u> The Art Lesson is the combination of a story about Tommy learning to become an artist told in English and Spanish coupled with 14 Art Activities.</p> 	<p><u>Krazy ArtRoom</u> A rare, magical program; easy-to-use art & creativity center captures the power of interactive media. Like having an art studio with standard paint & draw tools.</p> 
 <p><u>Ya Sé Leer</u> This program brings back White Bear and Little Penguin as reading coaches to teach reading comprehension, grammar and sentence construction. Exercises show students how to read.</p>	 <p><u>Thinking Things 2 Spanish</u> Children create rhythmic compositions, explore two-dimensional and three-dimensional shapes, experiment, and create. Five activities stimulate young minds & include options for special needs children.</p>
<p><u>La Liebre y la Tortuga</u> These retellings of The Hare and the Tortoise, both the English and Spanish renditions, are fluent and literary in quality. Even the illustrations have a timeless air that complements the texts seamlessly.</p> 	<p><u>Living Books: Little Monster at School</u> You can have the story read to you or play with the story in English or Spanish. Choose to in the story. Little Monster learns ABC's, counting, science, social studies, and grows a plant.</p> 
 <p><u>La Abuelita v Yo</u> Just Grandma and Me is one of the Living Books and an interactive re-telling of the children's story. It is beautifully animated with read along and click to discover modes to help children learn to read.</p>	 <p><u>Kidspiration™ Spanish</u> Helps students see, organize, and develop their ideas. Using proven visual learning principles, students build confidence in organizing information, understanding concepts and expressing their thoughts.</p>
<p><u>Juega con las Matematicas</u> Students learn math skills through a time travel adventure and solve math problems: fractions, geometry and measurements.</p> 	<p><u>Microsoft Calculator Español</u> Children learn to use Calculator to perform standard operations normally performed on a handheld calculator.</p> 
 <p><u>Microsoft WordPad Español</u> Microsoft WordPad is robust word processor with many of the functions and features of MS Word. Easier to use than Word, it provides children with an introduction to an industry standard.</p>	 <p><u>El Gran Atlas del Pequeño Aventurero</u> Children learn about geography maps, countries and their inhabitants, cities, famous monuments, plants and animals from all over the world on an atlas designed just for them.</p>
<p><u>Read, Write, and Type!</u> Children write what they say using animated stories to building skills in phonics, reading, writing, and keyboarding. It includes 57 sound games with more than 200 words.</p> 	<p><u>Encarta Dictionary</u> The Encarta Dictionary is an outstanding English Dictionary that also includes language translation for Spanish, French, Italian, and German, making the ELS an outstanding ESL Tool.</p> 
 <p><u>Sesame Street: Let's Make A Word</u> Children can choose from six Muppet playmates (Elmo, Big Bird, Oscar, ...) and four discovery sites (farm, construction, restaurant, park). 24 activities introduce letters, sounds, words and spelling.</p>	 <p><u>Microsoft Paint Español</u> Microsoft Paint provides students with basic draw & paint software that is universally available. Many sophisticated graphic packages use the same principals as MS Paint.</p>
<p><u>Flash Action Software Addition/Subtraction Bilingual</u> This Flash Action is a math skills program with toggle back and forth between English and Spanish. Kids can practice addition and subtraction facts, alone, against a friend, timed or un-timed.</p> 	<p><u>Encarta kids</u> Encarta kids features 500 articles especially for children. With clear icons; a simplified interface, & topics kids like to search on: animals, science, games, & everyday life.</p> 
 <p><u>Kid Pix Deluxe</u> This creative playground supports a variety of virtual media — including traditional art tools, 3 D shapes, art music, animation and picture editing. Make slide shows and movies.</p>	 <p><u>La Sala De Clase (Educorock)</u> "La Sala De Clase" is a rap song that reviews key classroom vocabulary in a funky way. Some of the phrases used include "Stand up," "Look for a ruler," "Point to a boy," "Do you like to sing or dance?"</p>
<p><u>Enciclopedia Compacta Britannica</u> The world's most authentic and reliable reference guide. The Enciclopedia Compacta Britannica is one of the most comprehensive Spanish-language resources for information on the people, places, and events.</p> 	<p><u>En La Granja (Educorock)</u> "En La Granja" is a farm rap song that reinforces both animal vocabulary (names of animals and their sounds) and related action verbs. An instrumental version of rhythmic beats and record scratching is also included.</p> 
 <p><u>Britannica Compacta Dictionary (Merriam-Webster)</u> The Merriam-Webster Dictionary is the authoratative Student Dictionary and Thesaurus. It supports multiple language translations.</p>	 <p><u>El Cuerpo (Educorock)</u> "El Cuerpo" will have students hitting the dance floor and touching their ears, feet, eyes, nose, mouth and other body parts. Estevan sings that it's the body "like you've never heard it before."</p>
<p><u>Los Colores (Educorock)</u> "Los Colores" uses a familiar tune as the refrain to a hip-hop song that leads students through the ten basic colors.</p> 	<p><i>* Please note: AWE changes Early Literacy Station™ educational content from time to time.
