

**PROPOSED SUBSTANTIAL AMENDMENT TO THE CDBG
FIVE-YEAR CONSOLIDATED PLAN (2015/16-2019/20)
AND THE 2019/20 ANNUAL ACTION PLAN**

A. EXECUTIVE SUMMARY

On March 27, 2020, Congress passed the Coronavirus Aid, Relief and Economic Security Act (CARES Act) (Public Law 116-136) to directly address the impacts of the Novel Coronavirus and COVID-19. As part of the CARES Act, Congress appropriated \$5 billion to the U.S. Department of Housing and Urban Development (HUD) for allocation to cities and states through the Community Development Block Grant (CDBG) program. The \$5 billion is to be released in three tranches:

- \$2 billion will be distributed based on the FY20 allocation formula to entitlement, state, and insular area grantees
- \$1 billion will be distributed to states and insular areas "based on public health needs, risk of transmission of coronavirus, number of coronavirus cases compared to the national average, and economic and housing market disruptions, and other factors".
- \$2 billion will be distributed "directly to the State or unit of general local government, at the discretion of the Secretary, according to a formula based on factors to be determined by the Secretary, prioritizing risk of transmission of coronavirus, number of coronavirus cases compared to the national average, and economic and housing market disruptions resulting from coronavirus".

The City of Porterville as an Entitlement City received \$489,098 in CDBG-CV funds in July 2020 in the first tranche. In the third tranche the City is expected to receive \$393,438. In addition to the initial funding, the City of Porterville requested waivers and flexibilities for the CDBG programs.

The City of Porterville is amending its 5-Year Consolidated Plan (2015/16-2019/20) and 2019 Annual Action Plan to include the additional \$393,438 in CDBG-CV funding.

Planning Considerations

Infectious disease response conditions rapidly evolve and may require changes to the planned use of funds:

- CDBG grantees must amend their Consolidated Annual Action Plan (Con Plan) when there is a change to the allocation priorities or method of distribution of funds; an addition of an activity not described in the plan; or a change to the purpose, scope, location, or beneficiaries of an activity (24 CFR 91.505).
- If the changes meet the criteria for a "substantial amendment" in the grantee's citizen participation plan, the grantee must follow its citizen participation process for amendments (24 CFR 91.105 and 91.115).
- Under the CARES Act, CDBG grantees may amend citizen participation and Con Plans concurrently in order to establish and implement expedited procedures with a comment period of no less than 5-days.
