

COUNCIL AGENDA: April 16, 2013

SUBJECT: COUNCIL MEMBER REQUESTED AGENDA ITEM – Request for the City Council to Consider Implementing Local Government Mobile Application

SOURCE: City Manager

COMMENT: City Council Member Ward has requested that the Council consider implementing a local government mobile application (i.e. Government 2.0, See Click Fix, City Sourced, etc) that would allow the public to interface or report problems they observe.

RECOMMENDATION: Council Member Ward makes the motion that the City Council authorize the scheduling on the May 7th Council Agenda the consideration of implementing a local government mobile application.
