To add some clarity to the code enforcement stats, the number of 98 daily contacts reflects our contacts with the citizens of Porterville. Our contacts range from a single contact, providing information to the public for a particular violation, to multiple contacts when following up and working with violators who are hesitant to comply.

We issued 1 Administrative Citation during the quarter in question for violations of the Municipal Code. It was issued for failure to obtain required building permits.

Of the 7 Notice of Violations that were issued, 2 were for business license violations, 1 for a charitable car wash, 3 were for building violations, 1 for a permit to distribute advertising materials.
