

COUNCIL AGENDA: DECEMBER 2, 2014

SUBJECT: AUTHORIZATION TO "PIGGY-BACK" ON EXISTING CONTRACT

SOURCE: Public Works Department – Field Services Division

COMMENT: The City of Visalia solicited bids for traffic striping and on November 17, 2014, awarded the contract to Safety Striping Services, Inc. of Goshen. The contract is in effect for one fiscal year, and upon mutually agreeable terms, can be renewed for up to four consecutive years. Since 2006, the City has contracted for this service (striping of City streets) as it is the most efficient manner in terms of cost and painting of street lines.

The City of Visalia's bid specifications established a unit price that meets our needs, and staff is requesting authorization to "piggy-back" onto the City of Visalia's contract with Safety Striping Services, Inc. of Goshen for the maintenance of traffic striping throughout the city limits.

The cost for this project shall not exceed \$70,000, an increase of \$5,000 over prior contract from 2010, and staff is seeking approval to utilize funds slated for Sign and Signal Upgrades in the amount of \$48,325. This capital improvement project was approved in the 2014/2015 Annual budget. An additional \$21,675 is needed to fully fund the maintenance of the city's traffic striping. Therefore, staff is hereby seeking approval to augment Surface Transportation Program funds for the purpose of fully funding the striping of city maintained streets this fiscal year.

RECOMMENDATION: That the City Council:

1. Authorize "piggy-backing" on the City of Visalia's contract with Safety Striping Services, at an agreed upon amount not to exceed \$70,000, for the maintenance of traffic striping throughout the city and those streets within the county's jurisdiction that are under city control via mutual maintenance agreements; and
2. Authorize the Finance Director to augment the Signs and Signal Upgrade Project with Surface Transportation Program funds in the amount of \$21,675.
